## 6. Meeting file

Environmental considerations have prompted the European Parliament to adopt and put in place **a policy of drastically reducing the quantity of paper documents.** **This means that this file contains only the programme, the list of registered participants and essential practical information.** Other documents already sent by e-mail shall continue to be available on the website [www.paufm.org](http://www.paufm.org)  
Thank you for your understanding and support for this collective effort to preserve the environment.
